

Michigan State Women's Soccer Elite Prospect Academy

Thursday, July 20th—2017

The Michigan State Women's Soccer **Elite Prospect Academy** offers the female soccer player an opportunity to spend the day with the Spartan Women's Soccer Program. This unique clinic includes technical and tactical training, matches and presentations all directed by the MSU coaching staff, as well as current and former players.

Each Academy session is designed to provide insight into college soccer and Michigan State. In addition to the training and match play at DeMartin Soccer Stadium, the home of Michigan State Soccer, players will have lunch with current MSU team members, attend a presentation by the Spartan Strength and Conditioning staff, and have the opportunity to learn from our head Student-Athlete Nutritionist at Michigan State.
